fit into acceptable categories.  
have been produced in the last three years.  
not have been previously entered into this competition.

## ENTRY REQUIREMENTS

- Entry fee and application must be submitted before close of business Monday, May 13.
- All entries must include digital images for identification/assessment.
- Digital images are due before entry will be accepted.
- Do not photograph images under glass or in frames.
- Images may be uploaded to our website via online registration form or delivered to our office on CD or flash drive.

## ARTWORK SPECS.

- 2D work cannot exceed 50" in width or height
- 2D work must be wired for hanging
- 3D work must have solid base and be accompanied by a sturdy pedestal.

### We will not accept...

fragile work.  
work requiring special lighting or installation.  
work that is too large or heavy.  
work that is too difficult to hang.

## SALES & REPRODUCTION

A price needs to be provided for all artwork. If not for sale, please indicate NFS with a value estimate.

Prices should include a 15% commission for AAAC.

AAAC reserves the right to reproduce artwork and/or utilize submitted digital images for promotional purposes.

## LIABILITY

AAAC assumes no liability for damaged or stolen artwork. All reasonable care will be exercised in the handling and exhibition of work.
